

FOUNDERS MESSAGE AND APPEAL

Founder and Honorary Director

ISOL Foundation (India) & ISOL Global Foundation (USA)

The recent times have called for a need to promote potential leadership and harmony to develop winning minds. This can be made possible through a powerful strategy to develop purpose-driven managerial practices in the organisations. Spirituality holds the power of propulsion that can lead to holistic development and facilitate modern organisations to recognise the deeper aspirations of an individual and society at large.

ISOL Foundation welcomes all the Individuals who align with the common goal of integrating spirituality and organisational leadership to support the vision and mission by joining hands and humbly contributing to the efforts of the foundation.
